Wednesday, August 10

2:00 to 3:30 p.m.

Water Games

It's time to get wet! Join us for water activities that include building a boat to race, testing objects that sink or float, and playing water games.

Teen Programs

Thursday, August 4

Ages 13-17

6:30 to 8:30 p.m.

Vision Boards & Captains' Logs

Vision boards are creative expressions of our dreams, goals, and values, used to inspire and motivate us. Captains' logs have a rich history of providing insight into life on seafaring vessels. Make your own inspirational vision board and journal to log your own adventures.

Thursday, August 18

6:30 to 8:30 p.m.

Hydro Painting & Tissue Paper Watercolor

Learn about hydro painting using a variety of colors to change the look of simple objects. Use tissue paper to create watercolor backgrounds with an ocean-themed silhouette on top.

Please note that space is limited for all programs, so registration is required. For more information or to register, visit lyonspubliclibrary.org and click on "Our Event Calendar" or call (315) 946-9262.

Sew Creative: Clam Shell Clutch

Participants will sew a cute little summer clutch purse. All supplies will be provided.

Tuesday, August 23

6:00 to 7:30 p.m.

Vikings on Lake Ontario: Truth or Legend

In 1960, the discovery of a Norse settlement in Canada proved that Vikings had settled here in the year 1000 CE, changing what historians previously believed. But did Viking explorers stay in Newfoundland, or did they travel farther south—perhaps all the way to Lake Ontario? Library Director Joe O'Toole will discuss this possibility by presenting a history of Viking culture and the Norse “discovery” of the “New World.”

Wednesday, August 24

6:00 to 7:30 p.m.

Book Art: Seahorse

Participants will learn how to craft a seahorse out of a discarded book. A little measuring and folding here, a little snipping there, and a seahorse will form!

Tuesday, August 30

6:30 to 7:30 p.m.

James Webb Space Telescope

Want to learn more about the James Webb Space Telescope? Join NASA Solar System Ambassador Jim Rienhardt as he shares images from the telescope, teaches how it works, and does a demonstration.

Saturday, August 13

11:00 a.m. to 12:30 p.m.

Erie Canal & Peppermint Museum

Join us for an Erie Canal program at the **Peppermint Museum, 95 Water Street, Lyons.** Erie Canal Museum Educator Derrick Pratt will discuss how the canal changed our access to food. We will also tour the Peppermint Museum and Erie Canal lock.

Friday, August 19

2:00 to 3:00 p.m.

Red Nose Reader

Fun, Exciting, and Humorous! Watch as a reader transforms into a clown right before your eyes. This silly program may help prevent children from developing a fear of clowns while inspiring creativity, showing children it's okay to be different, and encouraging a love of reading.
